

Potential Grad Student Questionnaire

1. What are you doing now?
2. Why do you want to do graduate work?
3. Why do you want to join my lab?
4. What attracts you to the University of Western Ontario?
5. Which of our projects would you like to work on and why?
6. Describe your past research experience.
7. What do you want to do when you are finished graduate work here?
