Post-Secondary Education

1966	University of British Columbia, B.Sc, Honours Biochemistry (combined degree program with Medicine)
1968	Hospital for Sick Children, Toronto, ON, Externship
1969	University of British Columbia, M.D. [Thesis - "LSD in Vancouver - A Study of Users", Dr. J.S. Tyhurst, Supervisor]
1969-70	St. Paul's Hospital, Vancouver, BC, Rotating Internship
1971	Vancouver General Hospital, Pediatrics Resident

Special Professional Qualifications

1985	Fellow of College of Family Physicians of Canada (FCFP)
1975	Certificant of the College of Family Physicians of Canada (CCFP)
1999 - present	Ontario Medical license (74065)
1970 - 2003	B.C. Medical license (5798)
1969	LMCC (30,310)

Employment Record

2007 – 2008	Acting Scientific Director, Robarts Research Institute
*2007 – present	Professor, UWO Department of Pathology (cross-appointment)
*2007 - present	Affiliate member, UWO Department of Women's Studies and Feminist Research
1999 - 2010	Dean, University of Western Ontario Schulich School of Medicine & Dentistry
*1999 - present	Professor, UWO Department of Family Medicine
1992-1999	Professor, U.B.C. Department of Family Practice
1988-1998	Royal Canadian Legion Professor and Head, U.B.C Department of Family Practice
1982-1999	Staff Physician, U.B.C. Campus Family Practice Teaching Unit
1990-1993	Head, Department of Family Practice, University Hospital, (Shaughnessy and UBC sites)
1990-1993	Head, Department of Family Practice, B.C. Children's Hospital

1988-1990	Acting Head, Department of Family Practice, B.C. Children's Hospital
1987-1992	Associate Professor, U.B.C. Department of Family Practice
1988-1990	Co-ordinator, U.B.C. Campus Family Practice Teaching Unit.
1982-1988	Founding Co-Director, Shaughnessy Hospital Sexual Assault Assessment Service
1982-1987	Assistant Professor, U.B.C. Department of Family Practice
	Founding Co-Director, Sexual Abuse Pilot Project
1982-1988	Deputy Co-ordinator, U.B.C. Campus Family Practice Teaching Unit
1982-1988	Founding Director, Division of Family Practice Behavioural Medicine
1978-1982	Clinical Assistant Professor, U.B.C. Department of Family Practice
1981-1983	Consultant on Child Sexual Abuse, B.C. Ministry of Human Resources
1972-1982	Staff Physician; REACH Community Health Centre, Vancouver, B.C.
1972-1979	Director, REACH Youth Clinic
1972-1978	Clinical Instructor, U.B.C. Dept. of Pediatrics
1971	Private Practice, locum tenens, Vancouver, B.C.

Scholarly and Professional Activities

1. Capacity Building for Community Based Research; Participatory Research
2. Inter-professional Education for Collaborative Patient-Centred Practice
3. Ecosystem Health; Aboriginal Health
4. Patient - Doctor Communication; Physician decision making
5. Behaviour Change; Clinical Health Promotion & Prevention in Family Practice
6. Sexual Assault: Child Sexual Abuse; Family Violence

Teaching

Areas of special interest and accomplishments:

Interprofessional education for collaborative practice
 Patient-doctor relationship; physician decision making
 Behaviour change; clinical health promotion and prevention
 Family violence & sexual assault

Courses taught at UWO

2011 Seminar on Advocacy (with Susan Woolhouse) in Gender and Health Med IV elective, Feb

	2011 (2 hours)
2011	Community-Based Participatory Research, Grad course in Ecosystem Health/Envr Sust 9014, Feb 2011 (2 hours)
2010	Seminar on Advocacy (with Barbara Lent) in Gender and Health Med IV elective. March 2010 (2 hours)
2010	"Making a Difference: Participatory Research as a Process for Effecting Change", combined Envrsust 9014 and Pathology 9514 course
2009	Seminar on Advocacy (with Susan Woolhouse) in Gender and Health Med IV elective. February, 2009 (2 hours)
2009	Patient-Centred Context and Integration and Application (12 weeks x 2 hours x 8 students)
2008	Seminar on Advocacy (with Susan Woodhouse) in Gender and Health Med IV elective. March, 2008 (2 hours)
2008	Patient-Centred Context and Integration and Application (18 weeks x 2 hours x 8 students)
2008	"Participatory Research <u>with</u> Communities", Pathology 514b, Ecosystem Health Graduate Course
2007	Seminar on Advocacy (with Susan Woodhouse) in Gender and Health Med IV elective. March, 2007 (2 hours)
2007	Patient Centred Context and Integration and Application (18 weeks x 2 hours x 8 students)
2007	Support Services in the Community (Inter-Professional Teams), Meds II, January 11, 2007
2006	"Primary Care Reform & Interprofessional Education for Collaborative Practice" Mini Medical School, October 5, 2006
2005-2006	Patient-centred Learning block (10 weeks x 2 hours x 9 students)
2006	Seminar on Advocacy (with Susan Woodhouse) in Gender and Health Med IV elective. March, 2006 (2 hours)
2004-2005	Patient-centred Learning block (8 weeks x 2 hours x 9 students)
2005	Seminar on Advocacy (with Susan Woodhouse) in Gender and Health Med IV elective. March, 2005 (2 hours)
2004	Seminar on Advocacy (with Susan Woodhouse) in Gender and Health Med IV elective. April, 2004 (2 hours)
2003-2004	Patient-centred Learning block (8 weeks x 2 hours x 9 students)
2002-2003	Patient-centred Learning block (8 weeks x 2 hours x 9 students)
2001-2002	Patient-centred Learning block (13 weeks x 2 hours x 9 students)
2002	"Integrating CAM into Undergraduate Medical Education" Health, Illness & Society, Meds II, London, May 2 nd , 2002
2001	"Is there a place for CAM in Medical Education?" Complementary and Alternative Medicine Seminar, presented to Health, Society and Illness (Meds I) London, May 23 rd , 2001
1999-present	Annual address to first year Dental Students
1999-present	Annual address to first year Medical Students, "White Coat Ceremony"

Courses Taught at UBC

1998-1999	Patient-doctor Relationship (lecture)
1998-1999	Patient Centredness (lecture)
1998-1999	Human Biology (PBL tutor)
1997-1999	Phase One, New Curriculum (Course Director)
1997-1999	Intro to the Routine Office Visit
1997-1998	Intro to the Profession (Co-ordinator)
1997-1998	The Biopsychosocial Model (Co-ordinator)
1997-1998	Intro to Clinical Medicine
1997-1998	Host-Defence Block (PBL tutor)
1996-1997	Introduction to Clinical Medicine (Lecture)
1996	Med III, OSCE Exam (Examiner)
1996	Domestic Violence (Workshop)
1995	An Overview of Stress Reduction (Workshop- First and Second Year Family Practice Residents)
1994-1995	Med I, Intro to Family Practice (Lecture)
1994	Family Violence/Sexual (Workshop)

1992	Role of Family Physicians in Health Promotion (Seminar)
1991-1993	Clinical Skills I (13 week seminar course)
1989-1994	Med I, Bioethics (2 four hour seminars)
1988-1998	Supervisor- Campus FPTU, Preceptor
1988-1993	Research in Family Practice (Workshop)
1988-1991	Psychiatry 401, Drug Use (Lecture)
1988	HCE Med II, Prevention
1987-1993	Stress, Sexual Assault, Family Violence (workshops)
1987-1993	Principles and Practice of Family Medicine- 25 week course (Course Co-ordinator)
1987-1989	FMPR 401, Stress (Lecture)
1986-1988	MSI INDE Course, Careers Day
1985	MSI INDE Course Tutorial
1984-1985	Ambulatory Psychiatry Pilot (Preceptor and Course Developer)
1984	Med III, Sexual Assault (Lecture)
1983-1993	MSI INDE Bioethics (Tutorial) 3 hours tutorial annually
1982-1993	Core Curriculum- Family Practice
1982-1990	Family Practice Resident 1 st Year, Periodic Health Exam- 13 week course (Course co-ordinator)
1982-1990	Behavioural Medicine I -13 week course (Course Co-ordinator and Course Developer)
1982-1989	Autogenic Training groups for residents
1982-1984	Behavioural Medical Elective (Preceptor)
1978-1980	Family Practice Elective (Preceptor)
1972-1980	Clinical Clerks in Pediatrics (Preceptor)

Cross Disciplinary Teaching

- “Qualitative Analysis” Ph.D. Course. Developed and taught as HC & E Directed Studies Course in Institute of Health Promotion Research (5 students x 3 hours x 13 weeks), 1994
- “Sexual Assault” Obstetrics and Gynaecology Resident Rounds (2 hours) 1990
- “The role of the Family Physician” Pharmacy IV (1 hour lecture), 1983-1984
- “Sexual Assault” Psychiatry Residents II (12 residents x 2 hours), 1983-1984

Graduate Students Supervised

Ademola Olufemi, UWO 2012, Chair, PhD Comprehensive Exam committee.

Uygur, Jane, UWO 2002-2012, Family Medicine, candidate for Master’s in Clinical Science, UWO Department of Family Medicine, Joint supervisor with JB Brown.

Lynda Balneaves, UBC 1998-2002, PhD Nursing. Co-supervisor.

Colleen Reid, UBC 1997-2002, Interdisciplinary PhD, Education Studies, Co-supervisor. Became Assistant Professor, Simon Fraser University.

Dr. Shragit Greenberg, UBC 1997 - 1999, Co-supervisor, Clinical Research Fellow, Palliative Care. Became Professor, Ben Gurion University.

Dr. David Kuhl, UBC Interdisciplinary PhD, 1997 - 1999, Co-supervisor (Spiritual and psychological issues at end of life). Became Director of Palliative Care Unit at SPH & Professor, UBC Family Practice.

Treena Chomik, Interdisciplinary PhD, 1995-1998, Co-supervisor (Health goals-setting by governments). Became Professor and Canada Research Chair at the University of Victoria.

Mark Daniel, Ph.D. (Health Care and Epidemiology) 1994-1997, Co-supervisor (NIDDM in Okanagan Aboriginal Setting, PAR). Mark Daniel became Professor, University of Montreal and Canada Research Chair; then went to Monash University, Australia.

Jean Shoveller, Interdisciplinary Ph.D, 1993-1997, Co-supervisor (Community Process around an alcohol

outlet referendum) Became Professor, University of Montreal, then Professor, UBC School of Public & Population Health.

Heather Higgins, Interdisciplinary PhD (Counselling Psychology & Family Practice), 1986-1990, Co-supervisor.

Carol Cole, UBC, Interdisciplinary M.A., 1998 - 2001, Co-supervisor.

Sandra Gorenson, MA (Social Work), 1985-1986, Co-supervisor

Gail DelSanto, MA (Health Care & Epidemiology), 1985-1986, Co-supervisor

Dr. Jan Raymond, M.A. Counselling, Psychology, 1987, Co-supervisor

Martine Charles, M.A. Counselling, Social Work, 1987, Co-supervisor

Dr. Pat McLean, M.A. Counselling, Psychology, 1986, Co-supervisor

Monica Wyne, M.A. Counselling, Psychology, 1984, Co-supervisor

Family Practice Residents Projects Supervised:

Cindy-Ann Lucky, Family Practice Resident, Quality Assurance in residency programs, 1995, Supervisor

C. Renke, Caesarean Section, 1992, Supervisor

M. Rubin, A Vancouver & Montreal comparison of family physicians, 1992, Supervisor

V. Geddes, Lesbian self-disclosure & gender of the family doctor, 1992, Supervisor

L. Stevenson, Exercise survey, 1991, Supervisor

J. White, Questionnaire - Attitudes to optometry, 1991, Supervisor

C. Stitt, Adolescent depression, 1991, Supervisor

M. O'Connell, Chlamydia, 1991, Supervisor

S. Lang, Descriptive study of premature babies in Churchill, 1991, Supervisor

J. Irwin, Survey- Travellers Diarrhea, 1991, Supervisor

M. Hinchiffe, Substance abuse in pregnancy, 1991, Supervisor

H. Hausler, Training in International Health, 1991, Supervisor

J. Schechter, Therapeutic profiles on admission vs. discharge of a geriatric patient, 1990, Supervisor

A. Modi, Spontaneous bruising in family practice population, 1990, Supervisor

B. Martin, Public awareness of AIDS, 1990, Supervisor

C. Kirkham, Battered wives in general practice, 1990, Supervisor

C. Garrett, Patterns of practice in assessing marijuana use, 1990, Supervisor

W. Denning, Prescribing patterns of family practitioners, 1990, Supervisor

E. Baerg, Occupational stress & personal strain, 1990, supervisor

Other:

Nadine Wathen Ph.D. Examiner, Oral Examination, January 14, 2004

Ascia Abdi M.Cl.Sc. Family Medicine, 2003, Examiner, Research Project

Heidi Bailey Ph.D. Psychology, 2002, Internal Examiner

Risha Joffee Ph.D. Psychology, 1992, Examiner, Oral Examination

Mary Kruger, EdD. 1992, Examiner, Oral Examination

Noelle Anne Vogel Ph.D. Interdisciplinary Studies, 1990, Examiner, Oral Examination

Jeanine Harper, EdD. Educational Psychology & Special Education, 1990, Chair, Oral Examination

Continuing Education Activities

Invited Presentations (CME Presentations are entered under Invited Presentations). Only one day courses entered here.

"Sexual Assault" Trail B.C. One day course, 1990

"Course Director, Annual CME Course for Family Physicians sponsored by Pfizer, Vancouver, B.C. 1989-1997

"Behavioural Therapy" One day course 1988

"The Annual Checkup", One day course. 1988

"The Difficult Patient". One day course. 1988

"Sexual Assault - Medical Assessment and Intervention". Chair, Annual CME course registrants, 1982-1987

Visiting Lecturer

2010/11 Visiting Professor, UBC School of Population & Public Health

2009/10 Visiting Professor, Department of Family Medicine, McGill University

2009 Royal College of Physicians & Surgeons of Canada (RCPSC) Visiting Professor of Medical Research, McGill University

2009-present Affiliate member, Centre for Participatory Research at McGill (PRAM)

2002 Visiting Professor, Department of Family Medicine, University of Manitoba

2000 MacKid Lecture, University of Calgary

2000 Carl Moore Lecture, McMaster University

September - December 1999, Visiting Overseas Scholar, St. John's College, Cambridge University, UK.

May 1998 Visiting Professor, Flinders University Medical Centre, Adelaide, Australia,

September 1997, Visiting Professorship, Chinese University of Hong Kong, Department of Community and Family Medicine, Hong Kong, (Hong Kong College of Family Physicians Professorship)

October - November 1994, Visiting Professorship, Christchurch School of Medicine, Christchurch, N.Z. (Margaret Black Fellow and North Island Travelling Professorship), Wellington School of Medicine, University of Otago, Wellington, New Zealand.

March 1994, Visiting Professorship, University of Washington, Department of Family Medicine, Seattle, Washington

February 1994, Visiting Professorship, University of Wales, Department of General Practice, College of Medicine, Cardiff, Wales

1994, McWhitty Orator, University of Calgary

1993 - 1994, Scholar-in-Residence, UBC Institute of Health Promotion Research.

November 1993, University of Arizona, Native American Research & Training Centre

June 5-8, 1991, Visiting Professorship, University of California at San Francisco Department of Family Practice

August 1989, St. Thomas & Guy's Hospital, Department of Family Practice, London England; Aldermoor Family Practice Teaching Unit, Southampton, England

January 1981, Visiting lecturer, Department of Family Practice, McMaster University, Hamilton, Ontario.

Grants

CIHR Programmatic Grant: "Equity-Oriented Primary Health Care Interventions for Marginalized Populations: Addressing Structural Inequities and Structural Violence" **\$1,974,691, 2011-16 (394,938/year)**.

Co-investigator (Principal Investigators: Brown, A., Varcoe, C., Ford-Gilboe, M.) Co-investigators: (listed alphabetically): Drs. **Carol Herbert**, Josée Lavoie, Marjorie MacDonald, Bernadette Pauly, Victoria Smye, David Tu, Nadine Wathen, Sabrina Wong. Knowledge Users (listed alphabetically): Pat Campbell, Olive Godwin, Dr. Beth Jackson, Murry Krause, Doreen Littlejohn, Pavan Pahal, Leslie Varley, Bruce Wallace, Cheryl Ward, Dr. Elizabeth Whynot. Collaborators (listed alphabetically): Madeline Boscoe, Dr. Alex Brown, Dr. Jacqueline Cumming, Dr. Flora Douglas, Dr. Judith Dwyer, Dr. Jeannie Haggerty, Dr. Tim Tenbenschel, Greg Webster.

The International Development Research Centre Grant: “The Lake Naivasha Sustainability Program.” **\$500,000, 2009-2011**. Co-investigator (Principal investigator: C. Trick) (Co-investigators: Shivoga, W., Creed, I., Bend, J., Tsimbiri Fedha, P., **Herbert, C.P.**, Darnell, R., Robinson, C.)

CIHR – Meetings, Planning and Dissemination Grant: Knowledge Translation: “Adding Processes and Relationships to a Participatory Research Policy.” **\$14,997, 2009-2010**. Co-investigator (Principal investigator: A. Macaulay, Decision Maker: J. Haggerty) (Co-investigators: **Herbert, C.**, Martin, R., Ramsden, V., Salsberg, J., Smylie, J.)

Assembly of First Nations-Health Canada National First Nations Environmental Contaminants Program: “Baseline Biomonitoring Studies and a Survey of Child-Youth Health as Prerequisites to Epidemiological Studies to Assess the Health Risk of the Attawapiskat First Nation and Walpole Island First Nation Communities from Exposure to Environmental Contaminants” **\$227,487, 2009-2010**. Co-investigator (Principal investigator: D. Jacobs and J. Bend) (Co-investigators: Walpole Island First Nation: Peters, J., Williams, N., Williams, R.; Schulich/UWO Ecosystem Health Research Team: Corbett, B., Darnell, R., Freeman, D., **Herbert, C.**, Koren, G., Luginaah, I., Rieder, M., Stephens, C., Trick, C., VanUum, S.)

CIHR – Synthesis Grant: Knowledge Translation: “Are there benefits to participatory research? A realist review” **\$99,409, 2008-2009**. Co-investigator (Principal investigator: A. Macaulay) (Co-investigators: Law, S., **Herbert, C.**, Mowat, D., Gascon-Barré, M., Lepore, I., Henderson, J., Salsberg, J., Green, L., Cargo, M., Pluye, P., Seller, R., Seifer, S., Stachenko, S., Greenhalgh, T.)

Interprofessional Health Education Innovation Fund, Ontario Ministry of Health and Long Term Care: “Ontario Inter-Professional Education Collaborative (OIPEC)” **\$30,000, 2007-2009**. Co-investigator (Principal investigator: T. Broers) (Co-investigators: Medves, J., Paterson, M., Schroder, C., Russell, A., Zwarenstein, M., Oandason, I., Verma, S., **Herbert, C.**, Orchard, C., Solomon, P., Baptiste, S., Dryden, T., Hall, P., McDonald, C., Morton, M., Zarrabian, M.)

HealthForceOntario Interprofessional Health Education Innovation Fund: “Interprofessional Health Teams: Developing future practitioners” **\$599,940, 2007-2010**. Co-investigator (Principal investigator: C. Orchard) (Co-investigators: Deluca, S., Sumsion, T., Garland, J., Peterson, D., Morrow, D., **Herbert, C.**, Weese, J., Sinclair, B., Kabene, S.)

Canadian Institutes of Health Research: “How Do People Distinguish between Conventional and Complementary/Alternative Medicine (CAM): An Examination within the Context of Rheumatoid Arthritis and Fibromyalgia” **\$164,263, 2001-2004**. Co-investigator (Principal investigator: L. Swartzman) (Co-investigators: Harth, M., **Herbert, C.**, Brown, J.B., Burkell, J.A. & Valentine, L.)

Health Transition Fund through B.C. Pharmacare: “Better Prescribing Project” **\$432, 156, 1998-2000**. Principal investigator: **Herbert, C.P.** (co-investigators: J. Wright, M. MacClure)

Medical Research Council: “Family physicians cancer screening and detection when the guidelines are unclear” **\$118,018, 1998-2000**, Co-investigator (principal investigator: F. Tudiver, Co-investigators: R. Guibert, **C.P. Herbert**, J.I. Williams, J. Belle Brown, H.S. Campbell, V. Goel, A. Katz)

BC Medical Services Foundation: “Antibiotic Resistance Education Project” **\$40 000, 1998-99**. Co-investigator, (Co-principal investigator: D. Speert, Co-investigators: **C.P. Herbert**, C.J. Frankish)

National Cancer Institute of Canada SCR: “When Complementary Becomes Alternative” **\$16 901, 1998-99**, Co-investigator (Principal investigator: M. Verhoef, Co-investigators: **C.P. Herbert**, M. White, M. O’Beirne, R. Doll)

National Cancer Institute of Canada SCR: “Decision-making by Cancer Patients around Complementary Therapy and Care” **\$31 000, 1998-99**, Principal Investigator: **C.P. Herbert** (Co-investigators: M. Verhoef, M. O’Beirne, M. White, R. Doll)

BC Medical Services Foundation: “Knowledge of Costs of Prescribing and Lab Tests” **\$5000, 1998-99**, Principal

investigator: **C.P. Herbert** (co-investigators: M. Allen, G. Innes)

National Cancer Institute of Canada SCRN: “BC Family Physicians’ Knowledge, Attitudes and Practice Regarding Alternative/complementary Therapies for Cancer Patients” **\$11,673, 1997-98**, Co-principal Investigator (Co-principal investigators :**C.P. Herbert**, R. Doll)

BC Medical Services Foundation: “Adolescent Health: A Core Training Program for British Columbia” **\$50 000, 1997-99**. Co-principal investigator (co-principal investigators: R. Tonkin, **C.P. Herbert** & G. Page-administered by Office of the Co-ordinator, Health Sciences)

Ministry of Employment and Investment: “First Jobs in Science and Technology” **\$5 940, 1996-97**, Principal Investigator **C.P. Herbert**

Innovation Fund, Ministry of Skills, Training and Labour Teaching: “Procedural skills at a Distance” **\$45 678, 1996-97**. Principal Investigator **C.P. Herbert**

British Council Link Grant with University of Southampton: Two exchanges annually between universities to develop conjoint research- **1,000 pounds, 1995-97**, Co-principal Investigator (Co-principal investigators: **C.P. Herbert**, A.L. Kinmonth)

National Cancer Institute of Canada: National Sociobehavioural Cancer Research Network (SCRN): “ Primary Research Satellite Centre to Study Sociobehavioural Issues Pertaining to Cancer” **\$186 350, 1994-99**. Co-principal Investigator (co-principal investigators: L.W. Green, **C. P. Herbert**. R. Doll & C. Lovato- held by IHPR)

International Development Research Centre (IDRC): “A Study of Participatory Research on Health Promotion in Developing Counties” **\$100,000, 1994-95**. Co-investigator (Principal Investigator: P. Larkin. Co-investigators: L.W. Green, J. Frankish, **C.P. Herbert** – held by IHPR)

Health & Welfare, NHRDP & SSHRC: B.C. (TriUniversity) Consortium for Health Promotion Research. \$500,000, 1993-97. Co-investigator (Principal Investigator: LW Green, Co-investigators: G. Gutman, M. Hills, **C. Herbert**, B. Wharf, A. Wister, M. MacEntee, S. Manson-Singer, P. Vertinsky (Grant divided equally between UBC, SFU and UVic).) – UBC portion held by IHPR)

B.C. Health Research Foundation: “NIDDM in a Native Population” **\$154,183, 1993-95** Co-principal investigators: **C. P. Herbert**, M.C. Heffernan- held by Queen Charlotte Health Care Society

Health Canada, SSHRC: “A Study of Research on Health Promotion in Canada” **\$50,000. 1993-94**, Co-investigator (Co-principal investigators: P. Larkin and L.W. Green, Co-investigators: **C. P. Herbert**, C.J. Frankish- held by IHPR)

Royal Society of Canada: “A Study of Research in Health Promotion in Canada” **\$50,000, 1993- 94**. Co-investigator (Co-principal investigators: P. Larkin and L.W. Green, Co-investigators: **C. P. Herbert**, C.J. Frankish- held by IHPR)

Bureau of Statistics, Yukon Territorial Government: “Yukon Health Promotion Survey” **\$16,000, 1993-94**. Co-investigator (Co-principal investigators: L.W. Green & W. Bowie, Co-investigators: **C.P. Herbert**, S. Barr, M. MacEntee- held by IHPR)

Bureau of Statistics, Yukon Territorial Government: “Yukon Health Promotion Survey” **\$37,000, 1992- 93**. Co-investigator (Co-principal investigators: L.W. Green & W. Bowie, Co-investigators: **C.P. Herbert**, M. MacEntee, S. Manson-Singer & P. Vertinsky- held by IHPR)

LCDC, Div. of STD Control: “A Descriptive Study of the Care of Patients Diagnosed with STDs by Family Physicians” **\$19,000 - 1992**. Principal Investigator: **C. P. Herbert** (grant held by College of Family Physicians of Canada)

B.C. Medical Services Foundation: “Family Practice Research Network” **\$57,639, 1991-93**, Principal Investigator: **C.P. Herbert**

Woodward's Foundation: "Family Practice Research Network" **\$57,639, 1991-1993**, Principal Investigator: **C.P. Herbert**

B.C. Science Council Sustainable Development Council Planning: "Healthy and Sustainable Communities" **\$276,150, 1991-92**. Co-investigator (Principal investigator: R. Woollard, Co-investigators: A. Artibise, P. Boothroyd, I. Dyck, **C.P. Herbert**, C. Hertzman, S. Manson-Wilms)

Alcohol and Drug Programs: "G.P.'s and Patient's Definition of and Readiness to Modify Low Level at Risk Alcohol Intake" **\$52,589, 1991-92**, Principal Investigator: **C. P. Herbert**

Ortho Pharmaceuticals: "Resident Research Annual Grant" **\$8,000, 1990- 1997**. Principal Investigator: **C.P. Herbert** (Co-investigator: R. Lubin)

Rosenberg Foundation: "Sexual Assault Assessment Project" **\$1500, 1990**. Principal Investigator: **C.P. Herbert**

Alcohol & Drug Programs: "Research And Teaching Grant" **\$2000, 1990**. Principal Investigator: **C.P. Herbert**

Alcohol & Drug Programs: "Effectiveness of Early Detection and Intervention" **\$5000, 1990**. Co-principal investigators: **C.P. Herbert**, R. Woollard)

B.C. Health Care Research Foundation: "Sexual Assault Tracking Study" **\$21,196, 1990**. Co-principal investigators: **C.P. Herbert**, G.D. Grams)

Canadian Lifestyle & Fitness Research Institute: "Measuring Health: The Documentation & Evaluation of Measurement Procedures Used to Measure Well-Being" **\$60,378, 1989**. Co-principal investigators: **C.P. Herbert**, J. Milsum

B.C. Health Care Research Foundation: "Sexual Assault Tracking Study" **\$37,804, 1989**. Co-principal investigators: **C.P. Herbert**, G.D. Grams

Woodward's Foundation: "Community-Based Residency Program" **\$30,028, 1989**. Co-principal investigators: **C.P. Herbert**, C.W. Whiteside

B.C. Medical Services Foundation: "Community Based Residency Program" **\$30,028, 1989**, Co-principal investigators: **C.P. Herbert**, C.W. Whiteside

National Welfare Grants: "Child Sexual Abuse in Rural Community Settings: The implementation and Evaluation of an Exemplary Treatment Model" **\$451,000, 1988- 1991**. Co-investigator (Principal investigator: B. Trute and Co-investigators: E. Adkins, **C.P. Herbert**, E. McCannell, D. Scuse - held at U. of Manitoba)

B.C. Health Care Research Foundation: "Sexual Assault Tracking Study" **\$81,212, 1988-90**, Co-principal investigators: **C.P. Herbert**, G.D. Grams

Rosenberg Foundation: "Sexual Assault Project" **\$1,000, 1988**, Principal Investigator: **C.P. Herbert**

Chris Spencer Foundation: "Sexual Assault Project" **\$1,000, 1987**, Principal investigator: **C.P. Herbert**

Ministry of Labour, Women's Programs: "Sexual Assault Project" **\$3000, 1987**, Principal Investigator: **C.P. Herbert**

College of Family Physicians of Canada: "Health Maintenance Protocols" **\$1,500, 1982**, Principal Investigator : **C.P. Herbert**

College of Family Physicians of Canada, BC Chapter: "Quality of Care in Hospitalized Patients " **\$3,000, 1982**, Principal Investigator: **C.P. Herbert** (P. Aceman, co-investigator)

Invited Presentations

A. INTERNATIONAL

Health Equity: what will make a difference to outcomes? Invited plenary presentation, Symposium on Enhancing Quality Primary Care Through Research and Evidence in Hong Kong. Dept. of Family Medicine & Primary Care, Hong Kong University, Hong Kong November 26, 2011.

The Increasing Emphasis on Primary Care in Medical Education: Be Careful What You Wish For. Invited plenary presentation, Symposium on Enhancing Quality Primary Care Through Research and Evidence in Hong Kong. Dept. of Family Medicine & Primary Care, Hong Kong University, Hong Kong, November 27, 2011.

How can family physicians participate in research? Invited presentation, Symposium on Enhancing Quality Primary Care Through Research and Evidence in Hong Kong. Dept. of Family Medicine & Primary Care, Hong Kong University, Hong Kong, November 27, 2011.

Responsible research with communities: my research journey. Invited plenary presentation, Symposium on Enhancing Quality Primary Care Through Research and Evidence in Hong Kong. Dept. of Family Medicine & Primary Care, Hong Kong University, Hong Kong, November 27, 2011.

"Future of Medical Education: Perspectives on Diversity, Association for Studies of Medical Education (ASME), Edinburgh, UK, July 14, 2011

"Challenges Facing Medical Education", Graduate School of Medicine, University of Wollongong, Wollongong, Australia, September 27, 2010

"Environmental Contaminants and Human Health: collaborative research program of Walpole Island First Nation and Ecosystem Health Research Group, Schulich School of Medicine & Dentistry, The University of Western Ontario" NAPCRG Pre-conference Workshop, Processes, Relationships and Evaluation in Participatory Research [PR] and Indigenous Health Research, Montreal, Quebec, November 14, 2009

"Senior Investigators Forum" Invited Panel, NAPCRG Annual Meeting, Montreal, Quebec, November 15, 2009

"Creating Doctors for Tomorrow" West China Medical School, Sichuan University, Chengdu, Sichuan, October 29, 2009

“How to Get a Research Job in Family Medicine” Invited Panel, NAPCRG Annual Meeting, San Juan, Puerto Rico, November 15, 2008

“Developing Interventions for Diabetes in the Ethiopian Community” Research Consultation, Department of Family Medicine, Ben Gurion University, Beersheva, Israel, January 3, 2008.

“Future of Medical Education”, Israel Institute of Technology, Haifa, Israel, January 1, 2008.

“Maurice Wood Award Presentation”, NAPCRG Annual Meeting, Vancouver, British Columbia, October 21, 2007.

“Health Risk of the Walpole Island First Nation Community from Exposure to Environmental Contaminants”, NAPCRG Pre-conference Workshop, Vancouver, British Columbia, October 20, 2007.

“Perspectives From the Dean’s Office”, presented at World Health Organization Meeting on Integrating Gender into Health Professional Curricula for Health Professionals, Geneva, Switzerland, December 4-6, 2006

“I never see mental health problems in my practice” presented to the Hong Kong College of Family Practitioners, Hong Kong, China, July 2006

“Interprofessional Education for Collaborative Patient-Centred Practice: from the romantic fringe to the mainstream” presented at Hong Kong University, Hong Kong, China, July 2006

“Family Physicians and the Butterfly Effect”, presented at The University of Hong Kong, Hong Kong, China, July 2006

“Alice in Wonderland: academic medicine from the viewpoint of a family physician Dean”, presented to The Royal Australian College of General Practitioners, Sydney, Australia, January 23, 2006

“Academic Credibility of Family Medicine” presented at the Workshop on National Research Agenda for Primary Care, Dead Sea, Israel, April 14, 2005

“Future of Research in Family Medicine and Primary Care: Where to from here?” , presented at the Workshop on National Research Agenda for Primary Care, Dead Sea, Israel, April 13, 2005

“Alice in Wonderland: academic medicine from the viewpoint of a family physician Dean”, presented to Department of Community & Family Medicine and School of Public Health, The Chinese University of Hong Kong, Prince of Wales Hospital, Shatin, Hong Kong, January 5, 2005

“Future of Research in Family Medicine” presented to the Joint Research Meeting of Chinese University of Hong Kong and Hong Kong University, Shatin, Hong Kong, January 7, 2005

“Models of Care” Invited Discussant presented at International Medical Workforce Collaborative, Washington, D.C. October 6- 8, 2004

“Workshop on Participatory Research in Family Medicine”. Ben Meir Annual National Research Day, Haifa. Israel, March 24, 2004

“Network Model: A Regional System with a Partner Clinical Education Campus”, Presented to the Council of Deans Administrative Board Meeting at the 2002 AAMC 113th Annual Meeting, San Francisco, California, November 9, 2002

“Medical School in Canada” presentation to medical students, St. John’s College, Cambridge, U.K., November 20th 1999

“Medical Schools at the Millennium: do some partnerships cost too much?” Presentation to the Clinical School, Cambridge University, Addenbrooke’s Hospital Cambridge, U.K. November 17th, 1999

“Action Research- designing effective interventions through dialogue with local communities” Workshop on Narrative Based Medicine: The Research Agenda, sponsored by British Medical Association and British Medical Journal, London, U.K., November 12, 1999

“Patient-centredness in the Doctor-Patient Relationship” Seminar in the Department of Evidence Based Care and General Practice in conjunction with the Department of Public Health, Flinders University Medical Centre, Adelaide, Australia, May 6, 1998

“Evidence-based medicine: clinical health promotion by general practitioners” Presented to Royal College of General Practice Research group, Adelaide, Australia, May 6, 1998

“General Practice: for all or for one?” Debate at General Practice Evaluation Program (GPEP) National Conference, Sydney, Australia, May 7th, 1998

“What would be the best methodology for studying how family physicians make diagnostic decisions for detecting cancer when the evidence is unclear or conflicting?” Forum, NAPCRG Annual Meeting, Orlando, Florida, November 14, 1997

Teaching Procedural Skills at a Distance: preparing for feasibility trial of innovative technology to teach flexible sigmoidoscopy to rural primary care providers. Poster presentation, NAPCRG Annual Meeting, Orlando, Florida, November 13, 14, 1997

“Myth and Magic in Distance Education: Teaching Procedural Skills to Family Physicians” Faculty of Medicine talk at Prince of Wales Hospital, Shatin, Hong Kong, September 20, 1997

“Evidence-based Medicine: Clinical Health Promotion in Primary Care” Hong Kong College of Family Physicians Clinical Health Promotion Workshop, Union Hospital, Shatin, Hong Kong, September 20, 1997

“Guidelines for Participatory Research Proposals and Projects” Joint research meeting with HKU-GPU and CUHK Department of Community and Family Medicine, Shatin, Hong Kong, September 20, 1997

“Developing culturally sensitive interventions for non-insulin dependent diabetes mellitus” Department seminar at Prince of Wales Hospital, Shatin, Hong Kong, September 19, 1997

“The Difficult Encounter” Family Practice Diploma Workshop, Chinese University of Hong Kong (CUHK), Shatin, Hong Kong, September 18, 1997

Hong Kong College of Family Physicians Visiting Professor to the Chinese University of Hong Kong (September 15-26, 1997)- four Writing Workshops for faculty in the department

“Developing Culturally Sensitive Interventions” Department Rounds, University of Southampton Department of General Practice, visiting lecturer, Southampton, UK, January 1996

“Family Violence Workshop” Full Day Workshop, Wellington School of Medicine, Wellington, New Zealand, November 11, 1994

“Family Violence and General Practitioners” workshop for General Practitioners, sponsored by the Royal New Zealand College of General Practitioners and Wellington Postgraduate Medical Society, Wellington, New Zealand, November 10, 1994

“Child Abuse Policy Workshop” workshop for policy-makers, Wellington, New Zealand, November 10, 1994

“Expanded Role of General Practice Nurses and Women’s Health” workshop for practice Nurses, Christchurch, New Zealand, November 8, 1994

“Community-based Research as Health Promotion and Community Development” presentation and workshop, Public Health Association of New Zealand and Christchurch School of Medicine, Department of Public Health and General Practice, Christchurch, New Zealand, November 5, 1994

“Violence in Society”- Full day workshop on Family Violence, Christchurch School of Medicine, Christchurch, New Zealand, November 4, 1994

“Child Abuse- A Dilemma in General Practice” workshop at Christchurch School of Medicine, Christchurch, New Zealand, November 3, 1994

“Low Level At Risk Drinking” Seminar at Department of Public Health and General Practice, Christchurch School of Medicine , Christchurch, New Zealand, November 3, 1994

“Clinical Health Promotion in General Practice”- seminar at Papanui Medical Centre, Christchurch, New Zealand, November 2, 1994

Family Violence Workshop, sponsored by the Royal New Zealand College of General Practitioners and Wellington Postgraduate Medical Society, Palmerston North, New Zealand, October 28, 1994

“Family Violence and General Practitioners” Workshop for General Practitioners sponsored by the Royal New Zealand College of General Practitioners and Wellington Postgraduate Society, Napier, New Zealand, October 26, 1994

“Family Violence and General Practitioners” Workshop for General Practitioners sponsored by the Royal New Zealand College of General Practitioners and Wellington Postgraduate Society, Rotorua, New Zealand, October 25, 1994

“Juggling Professional & Personal Roles” Workshop for Department of Family Medicine, University of Washington, March 24, 1994

“Developing Culturally Sensitive Interventions by Participatory Action Research: Haida Gwaii Diabetes Project Example” Department of Family Medicine, University of Washington, March 23, 1994

“The Family Physician’s Role in Managing Domestic Violence,” Department of Family Medicine, University of Washington, March 23, 1994

“Being a Doctor in the Canadian Health Care System”, Department of Family Medicine, University of Washington, March 22, 1994

"Qualitative Analysis Workshop", presented at Annual Meeting of Southwest University, Departments of General Practice, Cardiff, Wales, January 21, 1994

“The Role of Family Physicians in Canada in working with Disadvantaged Groups”, presented to Education Meeting of the Institute of Health Promotion, Cardiff, Wales, January 26, 1994

“Research in UBC Department of Family Practice”, University of Wales, Department of General Practice, January 26, 1994

“Ethical Research in Native Communities”, workshop with W. Freeman, A. Macaulay & North American Primary Care Research Group Annual Meeting, San Diego, California, November 1993

“Access to Care and Research in Family Practice” Faculty Development, Department of Family Practice, University of California, Santa Rosa, California, June 7, 1991

“Primary Care Training in Canada” Medical Student Seminar, University of California, San Francisco, California, June 6, 1991

“Family Practice and Primary Care in Canada” Grand Rounds, San Francisco General Hospital, San Francisco, California, June 6, 1991

“Assuring a Strong Department of Family and Community Medicine. Building on the Talent of All the Faculty” All Faculty Day, Department of Family and Community Medicine, University of California, San

Francisco, California, June 6, 1991

“The Report of the US Preventative Services Task Force: Overview & Use in Family Practice Residency Training”, presented with D.B. Kamerwo, STFM Meeting, Seattle, Washington

“Sexual Assault Tracking Study” Aldermoor Family Practice Teaching Unit, Southampton, England, August 1989

“Family Practice Research in North America” Visiting Professor, St. Thomas & Guy’s Hospital, Department of Family Practice, London, England, August 1989

“Does the Paradigm of Family Medicine have relevance in developing countries”, Workshop on Family Medicine Research, WONCA 1992 Scientific Planning Committee member, Singapore, February 26-March 3, 1989

“Managing the Difficult Patient”, Workshop, WONCA Regional Meetings, New Orleans, La., October 6, 1988

“The Role of Trance in Assessment and Treatment of Sexual Abuse and Assault” presented to Minnesota Society for Clinical Hypnosis, May 19, 1987

Abstracts & Unpublished Presentations

1. The role of Conflict, Disagreement and Negotiation in Community-Based Participatory Research: Implications for partnership synergy. Thematic Poster Session for Community-Campus Partnerships for Health's 15th Anniversary conference, Community-Campus Partnerships as a Strategy for Social Justice: Where We've Been & Where We Need to Go, to be held April 18-21, 2012 at the Westin Galleria in Houston, Texas, USA (accepted poster)
2. Uncovering the Benefits of Participatory Research: Implications of a Realist Review for Health Research and Practice. Justin Jagosh, PhD; Ann C. Macaulay, CM, MD; Pierre Pluye, MD, PhD; Jon Salsberg, MA; Paula L. Bush, MSc; Jim Henderson, MSc, MLS; Erin Sirett; Geoff Wong, MD; Margaret Cargo, PhD; **Carol P. Herbert, MD**; Sarena Seifer, MD; Lawrence W. Green, MPH, DrPH; Trish Greenhalgh, MD. International Conference to Advance a Population Health Intervention Research Agenda, Montreal, Quebec, March 28, 2011. (accepted poster)
3. Better Understanding the Benefits of Long-Term Health Partnerships: Findings of a Realist Review of Community-Based Participatory Research. Justin Jagosh, PhD; Ann C. Macaulay, CM, MD; Pierre Pluye, MD, PhD; Jon Salsberg, MA; Jim Henderson, MSc, MLS; Paula L. Bush, MSc; Geoff Wong, MD; Trish Greenhalgh, MD; **Carol P. Herbert, MD**; Margaret Cargo, PhD; Lawrence W. Green, MPH, DrPH; Erin Sirett, BCom; (Knowledge users): David Mowat MD; Susan Law, PhD; Sylvie Stachenko, PhD; Sarena Seifer, MD; David Clements, PhD; Sylvie Desjardins, PhD; Ilde Lepore. NAPCRG 2011, Banff, Alberta, November, 2011. (poster/abstract)
4. Assessing the Outcomes of Community Based Participatory Research: A realist review of what works, for whom, and in what circumstances, Justin Jagosh, PhD; Ann C. Macaulay, CM, MD; Pierre Pluye, MD, PhD; Jon Salsberg, MA; Jim Henderson, MSc, MLS; Paula L. Bush, MSc; Geoff Wong, MD; Trish Greenhalgh, MD; **Carol P. Herbert, MD**; Margaret Cargo, PhD; Lawrence W. Green, MPH, DrPH; Erin Sirett, BCom; (Knowledge users): David Mowat MD; Susan Law, PhD; Sylvie Stachenko, PhD; Sarena Seifer, MD; David Clements, PhD; Sylvie Desjardins, PhD; Ilde Lepore. Family Medicine Forum Research Day, Montreal, Quebec, November 3, 2011 (poster/abstract)
5. B Lent, J Brown, M Fluit, **C Herbert**. Seeking balance: the complexity of choice-making among academic surgeons. Poster presentation at Canadian Surgical Society meeting, London, Ontario, September 17, 2011 (abstract - Can J Surg August 2011, 54 Supplement, s24-25.)
6. Bethune, C., **Herbert, CP**, Meili, R., Verma, S. From the Margins to the Mainstream: Toward a Scholarship of Social Accountability. Plenary Panel, Canadian Conference on Medical Education (CCME), panel member. Toronto, Ontario, May 10, 2011 (abstract).
