

Western

We are seeking autistic and non-autistic English-speaking adults and children (aged 9 and up) for an ONLINE study.

- The study has three parts:**
- personality questionnaires**
 - ordering steps of everyday events**
 - a language and knowledge task done over video call**

If you (or your child) agree to participate, each part of the study can be done separately and not all at once. In total, the online study will take three hours and you will be compensated \$30.00 for your time.

If you are interested in participating or would like more information, please contact Kara Hannah.
